	<p>CAT's mission is to work with the community to save the lives of homeless, sick and injured cats and kittens by offering shelter, adoption, foster, hospice, spay/neuter and veterinary services to end needless feline euthanasia. In 2008 the Cat Adoption Team continued its adoption growth and rescued, rehabilitated and placed 3,250 cats and kittens. CAT supports the community and partners with local county shelters, humane organizations and veterinary clinics to take in cats that might otherwise be euthanized due to medical problems, age or space constraints. Since its opening in May of 1998, the organization has placed over 18,000 cats and kittens into new homes, ensuring that all of them are altered before adoption in order to combat overpopulation and unnecessary euthanasia. CAT's growth in the past six years - from 750 adoptions in 2001 to 3,250 in 2008 - attests to the organization's excellent reputation and the community's need for its services. CAT's on-site veterinary hospital is the only on-site full service shelter hospital in the area. CAT accepts and treats strays and abandoned cats and kittens throughout the state of Oregon. CAT has the capacity to care for 250-300 cats at the shelter and places approximately 250 more in temporary foster homes to socialize them and prepare them for adoption. CAT further focuses on eliminating overpopulation through public education and subsidized spay/neuter services for individuals in need of financial assistance. All felines that are accepted into CAT's shelter are altered, vaccinated, tested for common diseases, treated for parasites, and given microchip identification prior to adoption. CAT plans to continue its aggressive outreach and marketing strategy to further expand its adoption and spay/neuter programs in 2009 to accommodate the community's ever-increasing number of stray and abandoned cats and kittens. CAT is proud to partner and network with other community-based organizations to optimize public education regarding responsible pet ownership and the value of cats in families. In an effort to expand the valuable services CAT provides, the organization is always looking to develop new or expand existing programs designed to encourage increased adoptions, decrease euthanasia and strengthen the human-animal bond while enriching the lives of pets and people in its community.
