

Girl Donates Tooth Fairy Money To CAT

SHERWOOD, Ore. - A 7-year-old girl is helping out the Cat Adoption Team by donating money given to her by the tooth fairy.

Leia E. of Beaverton has lost five teeth and CAT has received \$2 per tooth. Leia has two cats of her own but wants to help other cats who are in need of a home.

"For Leia, it is the most natural and normal thing to give money to the cats." says Britta Bavaresco, Executive Director at the CAT.

"Leia's Mom said that she came up with this idea on her own. She usually wants to give all of her money to CAT but her Mom encourages her to keep a little bit for herself."

The agency recently celebrated a birthday and Leia gave them a handmade card. She drew nine cats on skateboards who were apparently on their way to the CAT facility. Even the flowers she drew on the card had tiny cat faces.

She wrote on the card as well: "I love kittys so much! Happy Birthday Cat Adoption Teme! From Kitty Lover Leia. Last 2006 I helped the kittys! I helped them by geveing mony to you. I'm happy I helped the cats! 100000020030415679 are going to you!"
