

cat adoption team

Dear

Fall 2010

Morgan has been at the Cat Adoption Team longer than any other cat. She has seen many cats come and go over the past three years, and she desperately wants it to be her turn. However, there are fewer visitors to our shelter these days, which means fewer adoptions.

Cats like Morgan need your help more than ever to find their forever family. **A \$42 donation will reduce Morgan's adoption fee by half, greatly improving her chances of finding a home.**

Several times this year, we have offered adoption discounts to bring more adopters to our shelter and place more cats into loving homes. This decision impacted adoption revenue but preserved our mission and primary goal: to find homes for the cats lucky enough to find their way to us. That mission will never change. **Nor will we compromise the outstanding quality of care CAT is known for.**

Our goal is to find homes for more than 3,000 cats and kittens by December 31. To do that, we need to raise \$100,000 to reduce adoption fees for cats like Morgan while still providing high-quality care (the average cost of caring for a cat just entering the shelter is \$239).

You can help Morgan find a new home.

When you cut through the numbers, **what really matters is finding homes for homeless cats.** That's what everyone at CAT cares about, and we hope that's what you care about, too. Even \$20 can make a difference. Challenge your family and friends to match your gift and together we can reach our goal – one cat at a time. **Help make this goal a reality and give what you can today.**

Please send your gift in the envelope provided or donate securely online at catadoptionteam.org/donate. **Every gift counts, no matter how large or small.**

Thank you in advance for your kindness and compassion on behalf of homeless cats and kittens.

Executive Director

P.S. Cats like Morgan need your help today! Your gift will help her and so many other cats find a loving home before the end of the year.
