The Cat Adoption Team (CAT) is the Pacific Northwest's largest non-profit, feline-only shelter with its own full service veterinary hospital on site. CAT's mission is to work with the community to save the lives of homeless, unwanted, sick, and injured cats and kittens by offering shelter, adoption, foster, hospice, spay/neuter, and veterinary services to end needless feline euthanasia. CAT will find homes for thousands of felines this year. As a 501(c)(3) publicly-supported charity, CAT relies on the generous support of the public and volunteers.
