RW – Ringworm, a fungal infection treated with medication

URI – Upper Respiratory Infection, otherwise known as a “cold”, treated with medication

PF – Kitten’s picture and bio are on (Enter zip code 97140 and under age, enter baby). (For the mom’s age, enter young or adult).

RX – On medication – Kittens under medical treatment are not available for viewing

ADOPTION PROCESS

Once you decide on a kitten(s) and/or momma, please go to the shelter the same day or next to complete the adoption forms, pre-pay the full amount, and speak with an adoption counselor. This “holds” the kitten(s) for you. Once the kittens are a healthy 8 weeks of age and at least 2 ¼ pounds, they will be altered & vaccinated. You will be contacted when this appointment date is set. At this time, they will need to be picked up at the shelter unless otherwise arranged. Thank you!

Adoption Fees

- One Kitten \$ 125
- Two kittens \$ 230
- Three kittens \$ 335
- One kitten and momma \$ 190
- One teenager \$100

Adoption Fee Includes

- Spay or neuter, Treatment for parasites (fleas, worms, etc.)
- First vaccinations, Cat care booklet and samples of food
- Microchip, FELV & FIV testing

Kitten Availability list As of March 4, 2010

Cat Adoption Team
14175 SW Galbreath Dr.
Sherwood, OR 97150
503-925-8903

CAT adopts kittens to *indoor only* homes.

When calling contact person, please have Mom's name & kitten info.

Note: Please keep in mind that the date listed for 10 weeks is an approximate date. There are no guarantees that the kitten will be ready at that time. They need to be at least 8 weeks, healthy, and 2 ¼ lbs to be spayed or neutered.
