CAT adopts kittens to **indoor only** homes.

When calling contact person, please have Mom's name & kitten info.

Note: Please keep in mind that the date listed for 10 weeks is an approximate date.

There are no guarantees that the kitten will be ready at that time. They need to be at least 8 weeks, healthy, and 2 ¼ lbs to be spayed or neutered.

ADOPTION PROCESS

Once you decide on a kitten(s) and/or momma, please go to the shelter the same day or next to complete the adoption forms, pre-pay the full amount, and speak with an adoption counselor. This "holds" the kitten(s) for you. Once the kittens are a healthy 8 weeks of age and at least 2 ¼ pounds, they will be altered & vaccinated. You will be contacted when this appointment date is set. At this time, they will need to be picked up at the shelter unless otherwise arranged. Thank you!
