

Prevent Harmful Licking!

Learn how to use your pet's restrictive device

©2023 ASPCA. All rights reserved.

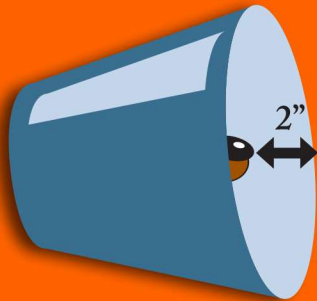

Snug but not too tight
(room for 2 fingers).

Get the Right Fit

Attach your pet's
collar (or gauze)
to the loops in
the cone.

About 2 inches
from the nose to
edge of the cone.

from Litterboxes

7-10 Days

Keep the cone on at all times
for 7-10 days. Even a little
licking can cause problems.

(Keep cats inside during this time.)

Keep it Clean

Use soap & water. Dry completely
before putting back on ASAP!

(Watch your pet doesn't use this time to lick!)

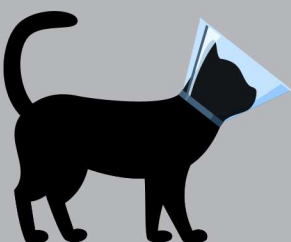

Elevate Food Bowls

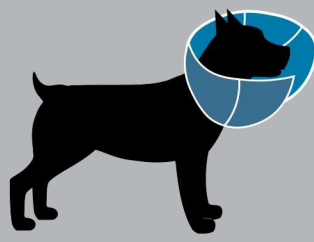

To help with eating.

Match the Product With Your Pet's Needs
